Corporate Services

Develop, Think and Socialise with Colleagues

Moor House Adventure Centre is the perfect venue for corporate activity experiences, conferencing or staff development programmes.

Our range of high quality onsite and offsite activities all provide recreational, developmental and sociological elements that can be embedded into the perfect package for your company.

So whether you want a conferencing venue to present your new brand to your clients or staff, a customised strategic team building programme or simply want to reward your employees with a day of adventure away from the office we have the solution for you.

All of our programmes focus on providing opportunities for teams and individuals to; work collaboratively and smarter, critically understand the importance of communication, challenge themselves and each other positively, Plan strategically and manage risk intelligently and develop stronger and more robust relationships with their colleagues.

Our team will work with you to develop a bespoke programme that meets your specific requirements and engages employees fully throughout the visit.

Meetings & Conferencing

Our well positioned and well-equipped centre makes an ideal venue for meetings, training and conferences. With excellent transport links, bespoke catering options and overnight accommodation available we are sure you will not be disappointed. With optional services such as support with technology requirements alongside free parking, free Wi-Fi and free refreshments upon arrival we will support you throughout your stay and your names liaison will be on hand to help.

Team Building & Development

Our experienced team will deliver a customised activity programme that provides opportunities for critical thinking, planning, cooperative working and strategy development. These will bring about improved staff cohesion activity, improved team and cross department communication skills, more effective and efficient team working, the development of leadership ability and team identity. These critical themes will be embedded into a fully immersive participatory and engaging programme.

Capacity Building Staff Training & Development

Our experienced team of trainers deliver a wide range of industry specific training. If you need qualified First Aiders, manual handling, food hygiene training or specific outdoor industry National Governing Body qualifications we can support you throughout the process.

Team Reward Days

Recognising staff effort and performance is essential to maintaining a happy workforce. What better way to reward your team than with an activity day full of adventure, fun and food. It's always important to remember that when people relax they act differently and through some of our activities you may also see skills, attitudes and behaviours that expose hidden talents, leadership skills or innovative thinking. We offer half day or full day packages with bespoke catering options available.
